

HABIB HUSEIN BAYDAWI

Address: Kendal, Indonesia
Phone: 088232105865
Email: habibhusein414@gmail.com

ABOUT ME

A highly motivated graduate with strong skills in Electronics, including PLC programming, PCB design, and Microcontroller programming. Possesses excellent time management and communication skills, and is ready to work under pressure. Highly accurate and detail-oriented, capable of working effectively both independently and within a team, driven by a strong sense of initiative. Previously demonstrated success by helping the team secure 2nd place in the 2024 Electro Expo Robotic Transporter competition. These strengths can be significantly contributed to your company.

WORK EXPERIENCE

Process Engineer - CV Sarana Cipta Media **September 2025 - December 2025**

- Designed the architectural structure and construction of programming wiring trainers. Conducted professional training sessions across various regions in Indonesia, including Bali, Sulawesi, and Sumatra.

Freelance Automation Engineer - CV ProjectKita **September 2024 - December 2025**

- Responsible for electrical automation projects, including system wiring and professional PCB design, developed automated solutions tailored to specific project requirements, ensuring high efficiency and technical accuracy.

Guest Speaker **14 February 2024**

- Served as a Guest Speaker delivering material on Arduino and IoT for 4 classes as part of the Pancasila Student Profile Strengthening Project (P5) with the theme "Engineering and Technology to Build the Nation" for the 2024/2025 Academic Year.

Operator - PT. Panasonic Manufacturing Indonesia **July 2022 - September 2022**

- Assembled components on various types of printed and ready-to-mount PCBs, and successfully completed several tasks according to instructions, meeting a set daily target of 800 pcs.

EDUCATION

SEMARANG STATE POLYTECHNIC **2023 - 2026**

Electrical Engineering

GPA : 3.93/4

Core Competencies: Electrical Engineering, PLC Wiring Diagrams, PLC Programming, Power Systems, and Microcontrollers.

SMK N 2 KENDAL **2020 - 2023**

Electrical Power Installation Engineering

GPA : 84/100

Core Competencies: Electrical Engineering, Power Systems, Basic PLC, Wiring Diagrams, etc.

ADDITIONAL INFORMATION

- Technical Skills:** PLC/Microcontroller Programming, pcb/3D Design, Wiring Trainer Design & Assembly, Project Management, Robotics and Automation, CAD for Mechatronics.
- Soft Skills :** Team collaboration, Leadership, Analytical Thinking
- Languages:** Indonesia (Excelent), English (Intermediate).
- Certifications:** Professional Engineer Certification, PCB Designer Certification.
- Awards/Activities:** 2nd Place in the 2024 Electro Expo Robotic Transporter Competition, Top 16 in the FUTURA Transporter Robot Competition
